History

Program has started educational activities in 2017-2018 academic year.

Qualification Awarded

After successfully completing all the requirements and graduation requirements in the curriculum program, the students graduate with a degree in the field of "Medicinal and Aromatic Plants". Students who complete this section are entitled to obtain the associate's degree diploma and the title of Professional Personnel.

Admission Requirements

For Turkish Citizens: (1) High School Diploma, (2) Placement through a centralised, nation-wide student selection and placement examination organized by Assessment, Selection and Placement Centre (ÖSYM). Candidates gain access to the programmes based on their composite scores consisting of the scores on the centralized exam and high school grade point averages. For International Students (1) High School Diploma and its "Certificate of Equivalency" granted by the Turkish Ministry of National Education (MoNE). (2) Exam for International Student (YÖS) or international university entrance examinations such as SAT I, ACT, etc., recognised by the national authority in higher education, the Council of Higher Education (YÖK). Candidates gain access to the programmes based on their scores obtained from YÖS or equivalent exams.

Higher Grade Transition

Students who successfully complete Associate Degree can pass the DGS (Vertical Transfer Examination) and the Department of Agricultural Sciences, Horticulture and Plant Protection Departments and the Faculty of Science. These are awarded with the title of "Agricultural Engineer and Chemist after graduation.

Graduation Requirements

In order to be able to be graduated from the program, according to regulations, students need to be successful in the contents of the courses, and must complete these courses with 2.00 general grade.

Employment of Graduates

Working fields of the graduates: 1. Public institutions and organizations 2. The agricultural cooperatives 3. Private firms 4. Own business

Assessment and Grading

The examinations, assessments and evaluations take place in accordance with the Alaaddin Keykubat University Associate Degree and Undergraduate
